Editorial

Journal CleanWAS is the official journal of International Water, Air & Soil Conservation Society (INWASCON). Journal CleanWAS is an open access product launched to publish selected best quality articles from International Conference on Clean Water, Air & Soil (CleanWAS). CleanWAS is the conference organized every year since 2010 under The International Water, Air and Soil Conservation Society (INWASCON) with joint supports from Malaysian and Chinese Universities. The aim of Journal CleanWAS is to provide productive opportunities for academics and practitioners from interdisciplinary fields of Environmental Sciences to publish their papers in a dedicated online issue. Journal CleanWAS offers an opportunity to potential contributors and experts in bringing new techniques and horizons that will contribute to clean environment.
